

ABOUT GOOD DAY PHARMACY:

Good Day Pharmacy is a pharmacist-owned Colorado company dedicated to providing Colorado communities with pharmacies that offer personalized attention and a premium pharmacy experience.

With eleven community pharmacies, Good Day is the largest independent chain in Colorado. We focus on relationships with our patients and providers to improve the health of our communities. Good Day specializes in Med Sync, compounding, long term care services, and the provision of clinical services.

ABOUT THE UNIVERSITY OF COLORADO SKAGGS SCHOOL OF PHARMACY AND PHARMACEUTICAL SCIENCES:

The School of Pharmacy is part of the University of Colorado Anschutz Medical Center, and is located just outside Denver in Aurora, Colorado. In addition to clinical responsibilities, the resident will be involved in teaching Doctor of Pharmacy candidates in didactic and experiential settings. Residents will also gain experience in developing a research project of publishable and presentable quality.

COMMUNITY-BASED PHARMACY RESIDENCY PROGRAM

This Post Graduate Year 1 (PGY1) residency program offers a unique opportunity to engage in advanced community pharmacy practice. Throughout the program, residents will gain exposure to a comprehensive spectrum of clinical pharmacy practices, business administration, strategic marketing, and operational functions.

**One-Year
Residency
Program
with
Good Day Pharmacy**

Our resident will gain valuable experience with existing programs as well as assisting and implementing new programs. We offer unique focuses including: CO statewide protocols (pharmacists in CO can prescribe certain medications), point of care testing, CPESN supported clinical programs, diabetes education, diabetes prevention, and CDPHE grant work. Good Day Pharmacy partners with a local primary care office where our pharmacists and resident make medication recommendations for patients and work in collaboration with a diabetes nutritionist, care managers, and prescribers. We look forward to partnering with an engaged individual that will contribute to the successful execution of projects and our culture.
