

**PGY2 Oncology Pharmacy Residency**  
**University of Colorado Skaggs School of Pharmacy and Pharmaceutical Sciences**  
**University of Colorado Health and Cancer Center**  
**(ASHP Accreditation #82151, NMS Program Code #513860)**

**PHILOSOPHY:**

This ASHP-accredited PGY2 residency provides the opportunity to acquire advanced knowledge and skills in providing pharmaceutical care to cancer patients, the interdisciplinary delivery of health care in the oncology, and education in a variety of inpatient and outpatient oncology settings. The program is individualized to meet the needs and interests of the resident. The University of Colorado is an integrated academic health sciences center. In addition to clinical training, residents are involved in educational experiences focused towards the training of PharmD students, PGY1 pharmacy residents, medical residents, oncology fellows, nurses and physicians. Residents also gain experience in medical writing and publishing, completion of a research project of publishable/presentable quality and an administrative project are required. Upon completion of this residency, graduates will possess competencies that enable attainment of board certification in oncology pharmacy (BCOP), and are qualified to either practice as a clinical oncology pharmacy specialist in a hospital based, academic or managed care environment or become a faculty member at a School of Pharmacy.

**PRACTICE SITES/ROTATIONS:**

The University of Colorado Cancer Center (UCCC) offers a variety of practice sites that will give the resident a well-rounded experience. The majority of this 12-month experience is within the UCCC and has both inpatient and outpatient rotations. Other rotation sites may include other hospitals in the Denver area offering unique learning experiences not available at the UCCC. Rotations are scheduled in 3-4 week blocks of time. Required clinical rotations include Inpatient Medical Oncology, Inpatient Hematology, Bone Marrow Transplant, Investigational Drug Service and Outpatient Medical Oncology (including the following clinics: Developmental Therapeutics/Phase 1 Clinical Trials, GI, Head & Neck, Breast, Lung, Gynecological Oncology and Urologic Oncology). Elective longitudinal rotations in the Oncology Management may be offered. Other electives include Outpatient

Heme/Transplant, Sarcoma, Community Oncology Practice and Pediatric Oncology. Other potential opportunities included Integrative Medicine, Education and Research. Completion of the Colorado Pharmacy Residency Teaching Certificate Program (if applicable) and a Structured Program to Guide Residents' Experience in Research (ASPIRE) is required. More information can be found at:

<http://www.ucdenver.edu/academics/colleges/pharmacy/AcademicPrograms/Residencies/Pages/Residencies.aspx>

**REQUIREMENTS:** Doctor of Pharmacy Degree (ACPE accredited), eligible for licensure in the state of Colorado, PGY1 residency

**BENEFITS:** Approximate resident salary is \$65,588. Benefits include: healthcare coverage, 22 vacation (days not used will be paid out at the end of the year) and 15 sick days (including conference and interviews), parking and travel stipend. Resident will be appointed as a Clinical Instructor within the School of Pharmacy. Limited staffing (240 hrs) is expected of all University of Colorado residents and will be performed in the Inpatient Oncology Satellite (some eligible for flex pay) and Outpatient Oncology Infusion Center Pharmacy.

**APPLICATION:** Interested applicants should provide a letter of intent, curriculum vitae, academic transcripts, and at least 3 PhORCAS references. Application materials should be uploaded to PhORCAS, (<https://portal.phorcas.org/>). Complete application should be submitted online no later than **January 1**.

All applicants will be considered in a manner consistent with provisions of equal opportunity employment; we will not discriminate with regard to gender, race, age, religion, disability or any other applicable legally protected status.

**FACULTY PRECEPTORS:**

- Hiba Ahmad, PharmD, BCOP Ambulatory Medical Oncology – Urologic
- Katelyn Carson PharmD, BCOP Ambulatory Medical Oncology – GI/Phase 1
- Christina Davis, PharmD, BCOP Ambulatory Medical Oncology – Melanoma
- Stephanie Giangiuli, PharmD, BCOP – Ambulatory Medical Oncology - Breast
- Terese Henry, PharmD Investigational Drug Service
- Jeff Kaiser, PharmD, BCOP, BCPS Inpatient Malignant Hematology / BMT
- Kelsey Marciano, PharmD, BCOP, Ambulatory Malignant Hematology / BMT
- Mollie Michel, PharmD, BCOP Inpatient Malignant Hematology / BMT
- Sarah Norskog, PharmD, BCOP Ambulatory Medical Oncology – GI/Phase 1
- Cindy O’Bryant, PharmB, BCOP, FHOPA – Ambulatory Medical Oncology – GI/Phase 1
- Rebecca Rezac, PharmD, BCOP Ambulatory Malignant Hematology / BMT
- Cynthia Ryan, PharmD, BCPS, Ambulatory Medical Oncology – Gynecologic Oncology
- Alexis Tandyk, PharmD – Inpatient Medical Oncology
- Kate Taucher, PharmD, MHA, BCOP, FASHP, FAPO Oncology Management
- Jaime Wittig, PharmD, BCOP Ambulatory Community Oncology
- Jennifer Tobin, PharmD, BCOP – Ambulatory Malignant Hematology / BMT, Residency Program Director
- Benjamin Yoder, PharmD, BCOP – Ambulatory Medical Oncology – Thoracic, Residency Program Coordinator
